

**Congratulations to the
John Fitzgerald Kennedy
Knights of Columbus Council 5482
On Achieving Second Place
In the Culture of Life
Knights of Columbus
International Competition!**

Since Roe v. Wade legalized abortion in the United States in 1973, the Catholic Church and the Knights of Columbus have demonstrated an unwavering commitment to protecting the sanctity of human life.

The Knights remain firmly committed to defending the right of life of every human being, from the moment of conception to natural death.

The vision of Council 5482's project was to create a space where all are invited, particularly those who grieve for lost children. The memorial was designed to be a place of solace and consolation, where tears can fall in sorrow and prayers can be raised in hope. In cooperation with Catholic Cemeteries of the Archdiocese of Washington, and St. Mary's Church of Piscataway, the parish can receive requests for memorials and interments.

St. Mary's Church of Piscataway Cemetery for Unborn Children was officially dedicated and blessed by Cardinal Donald Wuerl, Archbishop of Washington, on Sunday, July 5, 2015, the 375th Anniversary of the founding of the Piscataway Catholic Community.
